

In The Name of God

## Curriculum Vitae

### **Personal Details**

Name: Homayoun Yousefi

Nationality: Iranian

Place of birth Abadan

Marital status: Married, One child

Health: Good

Correspondence Address: Faculty of Maritime Transport, College of Economics and Management, Khorramshahr University of Marine Science and Technology, Khorramshahr-Iran.

Email: [homayounyousefi@yahoo.com](mailto:homayounyousefi@yahoo.com) ,

[h.yousefi@kmsu.ac.ir](mailto:h.yousefi@kmsu.ac.ir)

### **Education:**

BSc in Nautical Engineering, University of Sistan and Baluchistan -Iran. (Subjects were taught in English language by British and Indian lecturers).

MSc in Maritime Studies (Port and Shipping Specialization), College of Cardiff, University of Wales, the United Kingdom.

PhD in Business Management- Business Strategy, University of Tehran, Iran. (Thesis on Strategic Planning of Container Transit at the Iranian South Ports)

### **Qualification / Skill:**

- Certificate of Competency as Master of Motor Barge and 2<sup>nd</sup> Mate Certificate of Competency as watch keeping officer on the ocean going vessels.
- Certificate of the technical course, Covering NMS-90, QR-303 and DPS-100 simulators, Nor-control, Norway.
- Certificate of Instructor Training Course on Polaris Ship's Bridge Simulator, Nor-control, Norway.
- Certificate of MIC training Quality Assurance, MIC Management Training, 5S Course, Internal Auditor Course, Moody International Company.
- QS and External Auditor Course at DNV Company in Tehran.
- Computer literate with experience of Windows 7 and 8, Microsoft Office, Corel draw, Power point, Auto Cad, Delphi, Network, Internet, etc.

### **Carrier Summary:**

- From 1990–1992: Marine Surveyor, Iran Bazdid Company, Chabahar-Iran.
- From 1994-2002: Branch manager and Senior Surveyor of Iran Group of Surveyor (IGS).
- From 1998-2002: Official representative and Surveyor of British P&I Club at Chabahar port
- From 2005-2007: Branch manager and Surveyor of the Iranian Classification Society (ICS) at Chabahar Port.
- From 2003-2007: Head of Maritime Department of Chabahar Maritime University, Chabahr-Iran.
- From 2000- ۲۰۰۷): Deputy of Research Affairs of Chabahar Higher Education Center in Maritime Studies.

- From 1994 onwards: Official Senior lecturer, University of Sistan and Baluchistan, College of Nautical Studies, Chabahar-Iran.
- From 2008-2009 Deputy of Student Affairs of Khoramshahar University of Marine Science and Technology.
- From 1992 onwards: Active member of the Nautical Institute (MNI), London-UK.
- From 1999 onwards: Member of International Maritime Lecturer association (IMLA).
- From 2000 onwards: Member of the International Navigation Simulator Lecturer Conferences (INSLC).
- From 2007 onwards: Member of Scientific Committee of TransNav Conference in Gdynia-Poland.
- From 2007 onwards: Reviewer of the International Journal on Marine Navigation and Safety of Sea Transportation (TransNav Journal) in Europe.
- From 2010 onwards: Reviewer of the International Journal of Maritime Technology from Sharif University of Technology, Tehran-Iran

**As Senior Lecturer has taught the following subjects:**

- Maritime Transportation Systems
- Maritime Logistics
- International Maritime Strategy
- International Maritime policy
- Law of Marine Insurance
- Law of the International Carriage of Good at Sea
- Professional Maritime English Language

**List of Publication:**

**a). Book**

- 1). Yousefi.H, High Speed Craft translated in Persian language, Published by the University of Sistan and Baluchistan, Zahdan-Iran.
- 2). Yousefi.H, Marine Simulator, Published by Jungle publication, Tehran - Iran.
- 3). Yousefi.H, Sardarzehi.A, Maritime Terms, Published by Jungle publication, Tehran - Iran.
- 4). Yousefi.H, Modern Systems in Maritime Transport, Published by Port and Maritime Organization, Tehran – Iran.
- 5). Yousefi.H, Maritime Logistics Management & Port hinterland, Published by Asrar-danesh, Tehran – Iran.
- 6). Yousefi.H, Marine Insurance Law, Published by Asrar-danesh, Tehran – Iran.

**b). List of articles at the International Journals:**

- 1). Yousefi.H, Significance of microcomputer on simulation technique, The International Journal of Seaways, PP.23-24, London-Sep 1994.
- 2). Yousefi.H, The Role of Navigational Aids Such as Radar/ARPA, ECDIS, AIS, Autopilot on Safe Navigation at Sea, The International Journal on Marine Navigation and Safety of Sea transportation, Vol.1, No.2, June 2007.

- 3). Yousefi.H, Revision of an International Convention, Bandar Darya Magazine, PP.44-47, Tehran – March 2008.
- 4). Yousefi.H, An analysis of marine navigation and Safety of Sea Transportation by the Iranian Women as Officer and Master Mariner, The International Journal on Marine Navigation and Safety of Sea transportation, Vol.3, No.4, June 2009.
- 5). Yousefi.H, Mehregan.M, Safari.M, Strategic Planning by use of Total Systems Intervention towards the strategic alignment, The International Journal of Trade, Economics and Finance (IJTEF), Vol.2, No.2, April 2011.
- 6). Yousefi.H, Divandari.A, A Tool for Measuring Competitive Advantage of Ports with Focus on Container Terminals, The International Journal of Trade, Economics and Finance (IJTEF), Vol.2, No.6, December 2011.
- 7). Yousefi.H, Seyedjavadin.R, Crew Resource Management: The Role of Human Factors and Bridge Resource Management in Reducing Maritime Casualties, The International Journal on Marine Navigation and Safety of Sea transportation, Vol.6, No.3, September 2012.
- 8). Yousefi.H, M. Haghghi, An analysis of Role of Dry Ports on Development of Container Transit from the Iranian South Ports by balanced Scorecard Method, the International Journal Of Maritime Technology, Sharif University of Technology, Tehran-Iran, Spring edition, May 2013.
- 9). Yousefi.H, Strategic Planning for Port Development: Improvement of Container Transit from the Iranian Southern Ports Terminals, The International Journal on Marine Navigation and Safety of Sea transportation, Vol.7, No.3, September 2013.
- 10). Hajizadeh.A, Seaidi.N, Kabie.A. Yousefi.H, Zaredoost.M, Evaluation of the Middle East Container ports performance by using DEA and AP, the Journal of Marine science and Technology, Nohshahr-Iran, Feb 2016.
- 11). Khosravi.Y, Yousefi.H, Saeedie.N, Zarwdoost.m, Abaspour.M, Establishment of Ship Recycling Industry at the Iran Southern Ports Which Causes to Improve Iran's Economic Growth, Journal of Multidisciplinary Engineering Science and Technology (JMEST), Feb 2017.
- 12). Sharifiyar.E, Yousefi.H, Esmaildoost.M, Razmjooie, Using AHP & TOPSIS methods in choosing the best tugboat's type for berthing oil tankers, Academic Journal of Research in Economics and Management, Mar 2016.
- 13). Jafari.H, Yousefi.H et al, Evaluation of Causes of Delay in Container Handling Operation at Lebanese Container Ports (Case Study Beirut Container Terminal), International Journal of Accounting and Financial Management, Dec 2012.
- 14). Jafari.H, Yousefi.H et al, Cargo and Container Dwell Time Reduction: Effective Strategy to Increase the Efficiency of Iran's Ports, Journal of Social Issues & Humanities, Jan 2015.
- 15). Jafari.H, Yousefi.H, Application of fuzzy MCDM for evaluating the service quality of marine passenger terminal, Journal of Social Issues & Humanities, Mar 2014.
- 16).Jafari.H, Yousefi.H, Identify and Prioritize of Seaport's Hinterland Development Strategies Using Delphi and Shannon Entropy, Journal of Social Issues & Humanities, Apr 2015.

- 17). Jafari.H, Yousefi.H Ranking of structural factors of the main ports of southern Iran Using the gray relation analysis method, No.21, Journal of Oceanography, Mar 2015.
- 18). Yousefi.H Requirement of a Ship Breaking Yard at the Arvand Free Zone Area, the International Journal on Marine Navigation and Safety of Sea Transportation, Sep 2016.
- 19). Yousefi.H et al, Assessing the relative efficiency of the major container ports in the Middle East using the data envelopment analysis technique, Journal of Marine Science and Technology, Apr 2016.
- 20). Shakeri.Sh, Yousefi.H, Razmjooie.D, Kuhbor.A, a study on the Management of empty containers in Khorramshahr port and providing solutions to improve it, Journal of Marine Science and Technology, Mar 2017.
- 21). Dorry.N, Yousefi.H, Razmjooie.D, Ghasemi.J, Investigating Factors Affecting the Southern Ports of Iran to become Hub Ports. Journal of Marine Science and Technology, Mar 2017.
- 22). Yousefi.H et al, Investigating and ranking the effective factors on reducing the time of commercial ships in Imam Khomeini port, Transportation Research Journal, Mar 2017.
- 23). Yousefi.H et al, the role of balanced scorecard for measuring competitive advantage of container terminals, International Journal of Business Management Invention, Apr 2017.
- 24). Yousefi.H et al, Investigation and Evaluation of Effective Criteria for the Establishment of the Ship Recycling Industry (Case Study: Arvand Free Zone), Journal of the Marine Transportation Industry, Apr 2017.
- 25). Yousefi.H et al, Identifying and Investigating the Factors Affecting Customer Satisfaction with Port Services by Using (8Ps) and Kano Model in Imam Port, Journal of the Marine Transportation Industry, Dec 2017.
- 26). Yousefi.H, Assessment of the Transport of Oil Materials by Tanker Ships to Export Iran, Transportation Research Journal, Nov 2017.
- 27). Brenji.M, Yousefi.H, Kuhbor.A, Razmjooie, Non-Convention Vessels Insurance in Iran (Case study: Asia Insurance Company), The International Journal of Organizational Behavior Research, Mar 2018.
- 28). Yousefi.H, The Mechanism of Sharing Knowledge Among Members of the Supply Chain Management, (Case Study: Iran's Southern Ports), The International Journal of Organizational Behavior Research, Mar 2018.
- 29). Yousefi.H, et al, The Effect of Supply Chain Management System on Development of Hinterlands Infrastructure of the Iranian Ports and Maritime Transport, The International Journal of Management (IJM), Apr 2018.
- 30). Yousefi.H, Investigating the development trends of Khorramshahr port by removing wrecks, dredging, increasing safety and restoration of shipping in the Arvand river, Transportation Research Journal, Apr 2018.
- 31). Derafsh.M, Yousefi.H, Razmjooie.D, Improvement of port operations in Abadan port, Transportation Research Journal, Feb 2018.

- 32). Yousefi.H et al, Investigating the Structure of Volatility of Indicators of Freight Fares on the Market for Dry Bulk and Tanker Ships, Transportation Research Journal, Mar 2018.
- 33). Yousefi.H, Investigating the development opportunities of Khorramshahr port by removing submerged vessels, dredging, increasing safety and Revitalization of shipping on the Arvand River, Journal of the Marine Transportation Industry, Oct 2018.
- 34). Yousefi.H, Shahabi.Kh Analysis the Evaluation of Oil Products Transportation by the National Iranian Tanker Company in Line with the Development of Iran's Exports, Transportation Research Journal, May 2018.
- 35 ). Abaspour.M, Kohbor.A, Yousefi.H Investigating the Structure of Freight Rate Indices Volatility in Dry Bulk and Tanker Shipping Markets, Mar 2018.
- 36). Shafiabadi.H, Yousefi.H, Kuhbor.A, Razmjooei.D Evaluation Effectiveness main factors effective on the reduction of Loading and unloading function than Loading and unloading rate of dry bulk terminal (Case study of Imam Khomeini port), Journal of Oceanography, No.37 Feb 2019.
- 37). Shafiabadi.H, Yousefi.H, Kuhbor.A, Survey and ranking of factors affecting the development of travel and maritime tourism (Case study of Persian Gulf terminal of Khorramshahr port), Journal of Marine Science and Technology, Mar 2019.
- 38). Yousefi.H, Abbaspour.M, Establishment of Ship Recycling Industry at the Iran Southern Ports which Causes to Improve Iran's Economic Growth , Transportation Research Journal, May 2020.

### **C). List of Pares at the International & National Conferences:**

- 1). Yousefi.H, (Sep 1998) "The impact of the resistance and the flow on the hull" Proceeding Second International Conference on Marine Industry, MARIND 98 in Varna, Bulgaria.
- 2). Yousefi.H, (Oct 1998) "A focus on Marine Pollution at Chabahar port", Proc. Third International Conference on Port and Marine equipment "ICOPMAS-98", Tehran-Iran.
- 3). Yousefi.H, (Oct 1999) "Requirement of qualified seafarers by maritime industry, Proceeding International Conference at Dalian Maritime University, China.
- 4). Yousefi.H, (May 1999) "Use of simulators in achieving and improving emergency preparedness", Proc. International Maritime Lecturers Association Conference on Maritime Education and Training (IMLA 10), Rijeka-Croatia.
- 5). Yousefi.H, (Aug 2000) Simulator Resourcing, Proc. the 11<sup>th</sup> International Navigation Simulator Lecturers Conference (INCLS 11), Kalmar-Sweden.
- 6). Yousefi.H, (Aug 2000) Problem of MET in Iran, Proc. International Maritime Lecturers Association Conference on Maritime Education and Training (IMLA11), Malmo-Sweden.
- 7). Yousefi.H, (May 1998) The role of universities and training Centers on Development of Marine Industries, First Iranian Marine National Conference, Tehran-Iran.

- 8). Yousefi.H, (Jan 1999) Analysis of Safety and Quality Management of the Iranian Maritime Industries, Second Iranian Marine National Conference, Tehran-Iran.
- 9). Yousefi.H, (Jan 2000), The Methods of Improving Iranian Maritime Training, Third Iranian Marine National Conference, Tehran-Iran.
- 10). Yousefi.H, (Jun 2000), Optimum Management for Developing Chabahar Port in Past and at the Present time, First National Expansion and Exports Conference, Chabahar-Iran.
- 11). Yousefi.H, (Aug 2002) Significance of 360 degree visualization on simulator effective exercises, Proc. the 12<sup>th</sup> International Navigation Simulator Lecturers Conference (INCLS 12), Vallejo, California-U.S.A.
- 12). Yousefi.H, (Oct 2002) “Regional and International cooperation between MET institutions, networking MET institutions, exchange of lecturers and students”, Proc. International Maritime Lecturers Association Conference on Maritime Education and Training (IMLA 12), Shanghi-China.
- 13). Yousefi.H, Safari.H.R, (Jan 2003), Investigation on the International Standards and Classification Society of the Iranian Marine Industries, Forth Iranian Marine National Conference, Tehran-Iran.
- 14). Yousefi.H, (Oct 2003), A focus on new and modern technology in Marine Industries, Fifth Iranian Marine National Conference, Kish Island-Iran.
- 15). Yousefi.H, (Aug 2004), An Advanced Simulator Training on Team Management, Proc. the 13<sup>th</sup> International Navigation Simulator Lecturers Conference (INCLS 13), Tokyo-Japan.
- 16). Yousefi.H, (Aug 2005) The role of Free Zone Trade Areas on Development of Marine Industries, Sixth Iranian Marine National Conference, Tehran-Iran.
- 17). Yousefi.H, (July 2006) CBT Simulator can be used as an optimum assessment and evaluation technique, Proc. the 14<sup>th</sup> International Navigation Simulator Lecturers Conference (INSLC14), Genoa - Italy.
- 18). Yousefi.H, (June 2007) The role of Navigational Aids such as Radar/ARPA, ECDIS, AIS, Autopilot and VHF on Safe Navigation at Sea, 7<sup>th</sup> International Symposium on Marine Navigation and Safety of Sea Transportation, Gdynia-Poland.
- 19). Yousefi.H, (Sep 2007) The International Convention of STCW95 Should be Revised, Proc. the 15<sup>th</sup> International Maritime Lecturers Association Conference (IMLA 15), Trinidad.
- 20). Yousefi.H, (Oct 2007) The International Convention of STCW95 Should be Revised, Ninth Iranian Marine National Conference, Noor- Mazandaran, Iran.
- 21). Yousefi.H, (June 2009) An analysis of marine navigation and Safety of Sea Transportation by the Iranian Women as Officer and Master Mariner, The International Symposium on Marine Navigation and Safety of Sea Transportation, Gdynia-Poland.
- 22). Yousefi.H, Hagigi.M, (Oct 2010) Plan the Strategy is Requirement for Development of the Iranian Container Terminals, Proc. the 12<sup>th</sup> Marine Industries Conference (MIC2010), ZibaKenar- Iran.

- 23). Yousefi.H, Hagigi.M, (Oct 2010) Modern Technologies Can Improve the Learning Experiences in Maritime Management, Proc. the 18<sup>th</sup> International Maritime Lecturers Association Conference (IMLA 18), Shanghai- China.
- 24). Yousefi.H, Seydjavadin.S. R (June 2011) Crew Resource Management: The Role of Human Factors and Bridge Resource Management in Reducing Maritime Casualties, The International Symposium on Marine Navigation and Safety of Sea Transportation, Gdynia-Poland.
- 25). Yousefi.H, Divandari.A, (Sep 2011) Development of the Iranian Maritime Transport: A Focus on Dry Ports and the Iranian Container Terminals Operation, Proc. the 19<sup>th</sup> International Maritime Lecturers Association Conference (IMLA 19), Rijeka-Croatia.
- 26). Yousefi.H, Safari.H.S, (July 2012) The Role of Balanced Scorecard on measuring competitive advantage of the Iranian Classification Societies: Proc. the 20<sup>th</sup> International Maritime Lecturers Association Conference (IMLA 20), West-Terschelling-Netherlands.
- 27). Yousefi.H, (Sep 2012) The Significance of Navigational Simulator on Resource Management Training, Proc. The International navigation Simulator Conference (INSLC17), Rostock-Warnemuende, Germany.
- 28). Yousefi.H, Hagigi.M (June 2013) Development of Container Transit from the Iranian South Ports with a Focus on the International North South Transport Corridor, The International Symposium on Marine Navigation and Safety of Sea Transportation, Gdynia-Poland.
- 29). Yousefi.H, Hagigi.M (Oct 2013) Iranian Maritime Transport: Use of SWOT Analysis for Development of Container Transit from the Iranian South Ports, Proc. the 21<sup>th</sup> International Maritime Lecturers Association Conference (IMLA 2013), Newfoundland-Canada.
- 30). Yousefi.H, Hagigi.M, T. Hassangholi Pour, H. Khodadad Hossani, (Oct 2013) Strategy Planning for Container Transit Development of the Iranian South ports, Proc. the 15th National Marine Industries Conference (MIC2013), Kish Island- Iran.
- 31). Yousefi.H, Khoshegbal.B, Jafari.H, Bagerian.M, (Oct 2013) Safety Investigation of Job – (Case Study: Coastal Crane Operator), Proc. the 15th National Marine Industries Conference (MIC2013), Kish Island- Iran.
- 32). Yousefi.H, Jafari.H, (Oct 2013) An analysis of the Role and the Importance of Confirming the Total Quality Management for the Role of Ports in the World Trade, Proc. the 15th National Marine Industries Conference (MIC2013), Kish Island- Iran.
- 33). Yousefi. H et al (Jan 2014), A Survey of the Effectiveness of Business Developed Strategy in Multimodal transport, 3<sup>rd</sup> Accounting & management conference, Thran – Iran.
- 34). Shakeri.Sh, Yousefi.H (Dec 2015), A Survey and Prioritizing of Possible Management Strategies for Empty Containers at Khorramshahr Port, Proc. the 17th National Marine Industries Conference (MIC2015), Kish Island- Iran.
- 35). Shakeri.Sh, Yousefi.H, Razmjooie.D, Kuhbor.A, Daryaei.Pl, (Dec 2015), An Analysis of Iranian Dry Port's Challenges by Using FMEA Method and VIKOR Technique, Proc. the 17th National Marine Industries Conference (MIC2015), Kish Island- Iran.

- 36). Taherineko.H, Yousefi.H, Razmjooie.D, Zaredoost.M, (Dec 2015), An analysis of the Role of Iranian Marine Ports and Transit Routes in Global Supply Chain, Port, Proc. the 17th National Marine Industries Conference (MIC2015), Kish Island- Iran.
- 37). Yousefi.H (Jun 2014), Development of Dry Ports: Significance of Maritime Logistics on Improving the Iranian Dry Ports and Transit, The International Symposium on Marine Navigation and Safety of Sea Transportation, Gdynia-Poland.
- 38). Beharloo.H, Yousefi.H, Esmaildoost.M, Betvandi.Z, Zarehdoost.M (Dec 2015), Survey and Evaluation of Bulk Terminal Fire Risk at Imam Khamenei Port, Proc. the 17th National Marine Industries Conference (MIC2015), Kish Island- Iran.
- 39). Khosravi.Y, Yousefi.H, Saeedi.N, Zaredoost.M, Abaspour.M (2015) Investigating the effects of ship recycling on the marine environment from the perspective of conventions, National Congress – Engineering new design Tehran- Iran.
- 40). Shaker.Sh, Daryaei.P, Yousefi.H (2016) Management Suggestions for Improving Container Transportation and Decreasing Empty Containers Problems at Khorramshahr port, Istanbul-Turkey.
- 41). Taherineko.H, Yousefi.H, Razmjooie.D, Zaredoost.M Yousefi.H et al, (Dec 2016), Improvement of the Role IMAM Khamenei Port in Supply Chain with a Focus on Development of Landside Infrastructure, Port, Proc. the 17th National Marine Industries Conference (MIC2015), Kish Island- Iran.
- 42). Sharifiyar.E, Yousefi.H (Jan 2016) Using AHP & TOPSIS methods in choosing the best tugboats type for oil terminals, 6th International Conference on Economics, Management, Engineering science and Art, Belgium.
- 43). Beharloo.H, Yousefi.H, Esmaildoost.M, Betvandi.Z (Jan 2017), Risk management for the port rationalization safety, 2nd National Conference on Sustainable marine development, Khorramshahr - Iran.
- 44). Shafieabadi.H, Yousefi.H (Dec 2017) Identification and ranking of effective indicators on the assessment of sustainability of dry ports in Iran , Kish Island- Iran
- 45). Bigdeli.A, Yousefi.H (Feb 2018) Investigating and prioritizing the effective indicators on supply chain management in ports (Abadan Port), Tehran University-Iran.
